Motorola W315 Display Cover Replacement

This guide will show how to access and replace the display cover in the Motorola W315.

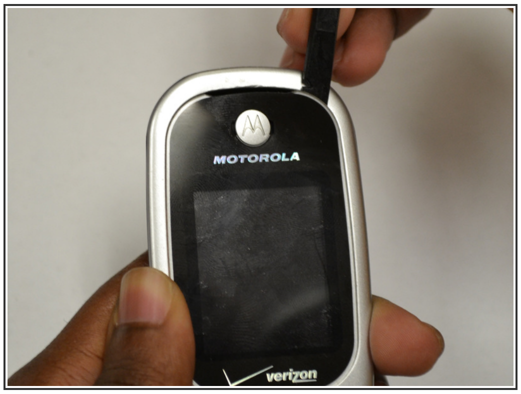

Written By: Jacob Gray

TOOLS:

- T6 Torx Screwdriver (1)
- Heavy-Duty Spudger (1)
- iFixit Opening Tools (1)

Step 1 — Display Cover

- Insert the spudger between the silver body of the phone and the black "Verizon" display sticker.
- Work the spudger around the extremity of the sticker.
- Remove display sticker.
- Be aware that if the display sticker comes back in contact with the phone it will adhere back to the phone.

To reassemble your device, follow these instructions in reverse order.

Information on recycling/disposing of your electronic waste is located under Additional Information on the device page.
